Part II Organizational Action

Attach additional statements if needed. See back of form for additional questions.

- 14** Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► Sterling Real Estate Trust made distributions to common shareholders during 2023.
- 15** Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► The above referenced distributions represent a 45.86368% return of capital to the common shareholders.
- 16** Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► During 2023, Sterling Real Estate Trust paid \$5,321,919.04 out of current and accumulated earnings and profits. The distributions made to the common shareholders of \$4,508,669.00 in excess of earnings and profits represents a return of capital. The above referenced return of capital is based on the company's best estimate of 2023 earnings and profits as of January 15, 2024.
