

For Immediate Release

Sterling Real Estate Trust Announces Dividend and Distribution

Company Release – March 30, 2015

FARGO, NORTH DAKOTA – Sterling Real Estate Trust (Sterling), formerly INREIT Real Estate Investment Trust, announced on March 27, 2015, its Board of Trustees approved a first quarter 2015 dividend of \$0.2325 per share to shareholders of record as of March 31, 2015. This dividend will be paid on April 15, 2015.

Sterling's Board of Trustees, acting as general partner of Sterling Properties, LLLP, also approved a distribution of \$0.2325 per unit to Limited Partnership unitholders of record as of March 31, 2015. This distribution will be paid on April 15, 2015.

This is the 49th consecutive quarterly dividend, and 48th consecutive distribution, paid by Sterling and equates to a 6.0% annual yield for shareholders given Sterling's current share price.

ABOUT STERLING REAL ESTATE TRUST

Sterling Real Estate Trust is a registered, but unincorporated business trust formed in North Dakota to invest in a diversified portfolio primarily of commercial properties (such as retail, office and medical) and multi-family dwellings (such as apartment buildings and senior assisted or independent living centers). Sterling operates as an Umbrella Partnership Real Estate Investment Trust, and holds all of its assets through Sterling Properties, LLLP, which Sterling controls as general partner.
